Subject: House renovations

Dear Mr. Jones,

I would like to understand what Alex's intentions are when it comes to house renovations; we have essential house works that need to be done urgently, such as painting, carpets and flooring, totalling around £10,000. There are also extra non-essential jobs - such as bathrooms renovation, top floor and window replacement - all quotes for these jobs are in my last exhibit folder.

We own equal equity in the house, he has not spent £20k more than me on the property.

Also to confirm: the judge said there's no change in the house finances; Alex is still responsible to cover half the mortgage and bills.

Warmest regards,
Irene Spalletti
