Dear Sir/Madam,

I was overseas with my parents and I only received the court documents on the 25th February. Therefore can you confirm I have 14 days to file my response from yesterday?

Many thanks,
Irene Spalletti

Dear Sir/Madam,

I believe my solicitor who is no longer instructed has contacted you regarding this matter.

Please find an update on the case, including a new response to the other party's communication. This TOLATA application is absolutely unfair as Ms Walker and her client have not followed protocol (the SRA has now opened the investigation). There hasn't been any mediation and they have completely ignored the communication from my previous solicitors. With £393/month of Universal Credit I am in no position to afford a solicitor.

Please see all updated communication:

Dear Sir/Madam,

I am writing in relation to the TOLATA (Part 8) application issued against me.

My case was being handled by Sternberg Reed since February; however, after it came to light that the Solicitors Regulation Authority (SRA) had opened an investigation into the Claimant's solicitor, my solicitor informed me she could no longer represent me and closed my file with no prior warning or proper handover. She did not assist me with the required forms or advise me on what steps to take next.

I have now reviewed the Claimant's application and witness statement. I believe the claim does not meet the criteria for a Part 8 TOLATA application. No pre-action protocols were followed, there was no attempt at mediation prior to issuing proceedings, and the statement appears to contain misleading representations and lacks any supporting evidence. In fact, parts of my own communications appear to have been misused or taken out of context in the Claimant's statement.

I am now representing myself and preparing my own witness statement and response. I understand from guidance online that I may have up to 3 months to file my response and counterclaim.

I would be grateful if you could confirm the following:

1. Are the correct forms for my response:
 - **N9D (Response to Part 8 claim form)**
 - **Counterclaim under CPR Part 20**
 - **Witness Statement**

Or is anything else required?

2. I have audio recordings relevant to the case. What is the appropriate method to submit these to the court — should I provide them on a USB stick, or is there a preferred process?

I appreciate your time and assistance, and I will do my best to ensure my response is filed promptly.

Yours faithfully,

With reference to your enquiry, please find attached the response pack for Part 8 claim forms.

If unsure, please seek legal advice.

If you have audio recordings relevant to the case, you must inform the court before the hearing and bring your own device to show to the Judge to the hearing.

Kind regards,

Mrs. R. Shah
